DSCR Funding Opportunity

Funding available that could cover up to 50% of your first year of licenses and implementation costs for a digital social care record (DSCR) and is currently capped at £4711.623 per CQC registered ASC provider.

Our team is available for support throughout the process and to help you get everything you need to qualify for the offer

This offer may expire at the end of March!!

We need your expression of interest now to make sure that you can get the funding.

For more information and to express your interest, contact us at:

digitisationinsocialcare@somerset.gov.uk

"It is a concise system and now our tasksare accomplished on time with its aid."
